

Parent TB Skin Test AND Immunization Record

Any adult who plans to work in the classroom at any point throughout the school year must submit records of:

- **Negative TB test (good for 2 years)**
- **Tdap vaccination**
- **MMR vaccination (or immunity test results)**

IMPORTANT: If submitting your shot records in lieu of filling out this form, please check that all 3 of the required tests/vaccines above are listed on your record and circle or highlight them.
